**Urban Outreach Ministries, Inc. (UOM)** is a nonprofit organization that provides social, mentoring and educational programs for the youth and young adults of Lake County, Michigan. We also are actively involved in community beautification and cleanup projects. Some of the various programs for our youth will include talent shows, art exhibitions, Spanish and basic computer classes, drama productions and sports.

**UOM** is inviting the residents of Lake County to join us at the Yates Township Community Center for a delicious meal, the opportunity to learn more about the UOM organization and a chance to ask questions, voice comments and concerns, and offer suggestions for creating a stronger, more thriving community.

**Place: Yates Township Community Center**
